## EXT OF AGREEMENT TO END STRIKE

(Continued from Page 1.)  
ence, will be restored as of June 1922, and they will be called back into work in that order.

If a dispute arises as to the relative standing of an employee or if other controversy arises involving the strike that cannot be resolved by the committee and employee or the duly authorized representatives thereof, the matter will be referred by the organization parties to this agreement, the employer and the interest of any employee who may be aggrieved, to a commission to be established and constituted as herein provided, for final decision by majority vote.

The commission referred to in the above shall be composed of six representatives to be named by the chief officers of the organizations parties hereto and six representatives of the employer and by the railroad commission hereto. This commission shall be constituted within fifteen days from the signing of this agreement and shall have jurisdiction to decide all cases that may properly be referred to it on or before May 31, 1923, but not thereafter.

Inasmuch as this agreement is made for the purpose of settling a spirit of compromise of the railroad, all parties hereto agree to neither this settlement nor any of the commission above provided for shall be used or cited in any controversy between the parties hereto or any other class or class of their employees in any controversy that may hereafter arise.

Both parties pledge themselves to no intimidation nor oppression shall be practiced or permitted against any of the employees who

# CITY FUEL MEN ARE OPTIMISTIC

Believe They Can Keep People Supplied—No Hard Coal Expected for 2 Months.

That Janesville residents need have no fear of a coal famine, and that every effort will be made to supply their bins during the next few months, were the statements made by local coal dealers, Wednesday. Although the situation is still acute, coal buyers believe that, with proper distribution, all of the city's homes will be kept warm and the industries kept operating.

For the first time in years, Janesville residents will be forced to use soft coal in their furnaces as it is concluded that there will be no artificial fuel in the city until at least Thanksgiving and possibly not until the end of December. Although the hard coal mines resumed operations, Tuesday, for the first time since the strike, April 1, it is the consensus of opinion that the middle western states will have to depend entirely on receiving their supply from the southern Illinois field, where soft coal is mined almost entirely.

## THE WEATHER

WASHINGTON, May 31.—The disturbance was central, over Arkansas Tuesday night and moved slowly northward over the north and the barometer has continued to rise from the Rocky Mountain region, eastward, with lowest pressure Wednesday night at Alberta and Idaho; pressure has continued high over the Northern Plains States, Lake region and the Atlantic States. Showers have occurred within the last twenty-four hours in the upper Mississippi valley, middle Valley, Tennessee, the Gulf States, the Florida Peninsula, parts of the Lake region and along the North and Texas coasts. In other parts of the country the weather was generally clear, the temperature continued to rise Wednesday in the northern plains and the Gulf States, but in the mountain region somewhat cooler weather overtook the Pacific States. A slight change in temperature is expected.

# DE VALERA MEETS GENERAL MULCAHY

Latter Outlines Terms of Peace for Leader of Irish Rebels.

(Associated Press.)  
Dublin.—Eamon de Valera has been in Dublin conferring with Gen. Richard Mulcahy, commander of the Free State army, on peace terms for the Irish irregulars, it was learned. The opinion is that a peace treaty between the Free State and irregulars is improbable at this time.

The peace terms of the Free State government, as outlined by Gen. Mulcahy, were understood to be as follows:

1.—Rebels, to lay down their arms and pledge themselves to respect the constitution.

2.—There shall be no revision of the Anglo-Irish treaty.

3.—The Irish army must be the army of the people. The government must control all armaments, so there can be no illegal concentration of arms.

# Miss Hadfield Survives Golf--Big 10 Interpret Rules

## MISS WALL LOSES TO CHAMPION WHO NOW FACES TEST

Green Echo—Country Club, St. Louis.  
—What is regarded the most interesting elimination match of the Western Women's Golf association tournament was scheduled for Thursday when Mrs. Melvin Jones of Chicago, 1921 champion, and Mrs. Dave Gault of Memphis, upon whom the south has pinned hopes of winning the title, were to test their superiority in this third day's matches.

Mrs. Jones defeated Miss Edna Wall of Oshkosh Wednesday, but Miss Frances Hadfield of Milwaukee, a favorite, came through in easy fashion.

Miss Wall, former Wisconsin state champion, furnished keen competition for the champion, Mrs. Jones. Jones was looked for to win, but her good fortune in the first round was not to be repeated. In the second round, Mrs. Jones, who had won the distance in 46 strokes and Miss Wall completing the same distance in two strokes less. Despite her better medal, Miss Wall was unable to take a lead, the match being all square as the turn was made.

## Busy Man's Sport Page

By FRANK SINCLAIR.  
AT OSHKOSH, the board of education has started a recreational department in the graded schools with a plan to have the children play games for boys and girls. The program for girls are the start of the program.

IN ADDITION, the duties of the director are to take charge of evening recreational centers, and plan basketball tournaments and other sports. Both of these plans are feasible. The consideration in Janesville by the educational officials.

MILTON WALL wants to play two, and perhaps three, of his regularly scheduled football games in Janesville. It has applied to the board of the fair association for use of the fair grounds. No reply has been given to the letter sent last week. While Milton's action is in order to get larger gate receipts, it will be to the advantage of the fair board to let Milton play here and charge as small an amount as possible. There was use made of the fair grounds, the better it will be for the fair. Why let the grounds lie idle?

## Four Regulars Back at Jeffs; Practice Light

Jefferson—The football schedule for the local high school is nearly complete.

Only four regulars of last year are on the 1922 team. According to early predictions, Jefferson, for this reason, will not have great chances for winning many of the games. A large number of men are out practicing, comprising nearly three teams, but all are green. The 1922 team is under the coaching of Carl Jager, famous coach of the 1919 Jefferson team, who made the remarkable record of not losing a game. Arthur K. Vincent is assistant manager. Practice has been delayed on account of the fair. Monday, signal practice will begin. The team is expected to be in fair shape for the first battle which will take place here against Watertown.

The schedule follows:  
Sept. 20—Watertown at Jefferson.  
Oct. 7—Jefferson at Janesville.  
Oct. 14—Jefferson at Ft. Atkinson.  
Oct. 21—Jefferson at Oconomowoc.  
Oct. 28—Whitewater high at Jefferson.  
Nov. 4—Jefferson at Cambridge.  
Nov. 10—Ft. Atkinson at Jefferson.

## HAVE YOU A GRID SUIT HID AWAY? SCHOOL NEEDS IT

Thirty candidates are out for football at Janesville high school. More would be out, but for the reason that—

SUITS ARE NEEDED.

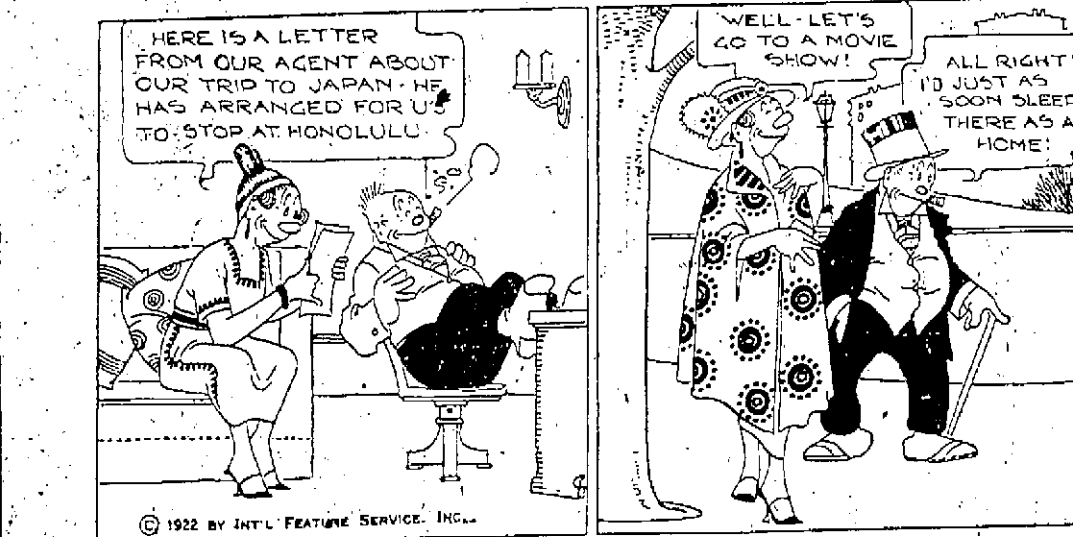

Some of the lads are trying out for the squad, wearing old clothes. Others are using patched up uniforms.

In the attics of many a Janesville home, there are probably uniforms, or parts of uniforms, discarded in ages past. Take a look and bring these out. Then, in that boost Janesville spirit, turn them over to Coach Klontz at the high school so that the Rover city will be able to properly train its lads this fall.

LET'S GO!

With prospects for the eleven dubious because of the large amount of green material, the citizens of the city can do their part in this way. Practice is continuing on fundamentals each day. Skull work will be added shortly.

## BRINGING UP FATHER

## Zuppke Facing Problem of Building New Line

Urbana, Ill.—Coach Zuppke of Illinois seems to have the same difficulty as facing many of the Big Ten schools this season. He is lacking in material for the line.

A perusal of the records shows that only one man of the veterans sub in back this year. That is Captain Dave Wilson. When the candidates report for practice, Friday, only one other man will be back. That will be Woodward, a fullback. And the man, but a part time man last year, though he seems sure of getting the post.

## ONLY ILLINI BACK

Captain Dave Wilson of Illinois.

Suits Went Also.

Graduation took a large number of players from Illinois last spring, even a large number of substitutes. As a result, Zuppke's situation is precarious. Greene might have been an asset, but he played at Taylorville last fall and is ineligible. Daily, another backfielder, has scholastic difficulties.

Rothrock, a freshman last year, may fill in at one end, while Richards may fill in at the other. Ymaus and Oakes are looked for to the line positions with MacMillan, a sub in 1921, the only candidate for guard.

Vivian Green and Miller, both linemen from Urbana, are expected to make strong bids for center. Green has been in the habit of shying off instead of bucking in, while Miller has not taken the game seriously enough in the past, though flashy at times and having the proper weight.

Must Build Offensive.

Indications point to Ruess Clark, brother of the great Polay Clark, being assigned to quarterback. He is a fast field runner, passes well, and runs the team like a veteran. Coach, another candidate for a year, is undoubtedly accurate on the pass, but his feet do not move rapidly enough. Majors, who has suffered a bad knee, may land a half-back job.

Zuppke's task will be, to build a strong offensive and to instill fight in the line.

## Franke's Homer Wins in Tenth

Jefferson—Lake Mills lost to Johnson Creek in a 16 inning game at the Jefferson fair Wednesday, 3 to 2. Franke, on the mound for the Creek, won his own name with a homer in the 10th. Franke, on the mound for the Lake, allowed the Creek six hits, and struck out six, while his teammates reached Franke for eight hits. Franke fanned seven.

## Shift and Other Rules Tightened in the Conference

Chicago—A clearer interpretation of the rule regarding shift plays, and the adoption of a penalty for teams which are not ready to play at the time designated for the opening of the season, were the features of Wednesday's meeting of Big Ten coaches here.

After a shift is completed, the whole body and feet only the feet must come to a possible stop at the same time before the ball is put in play, according to the new rule. Teams not starting on time will be penalized 25 yards. Clipping and slot awing were taboos. The coaches ruled the ball is in play after a fair catch.

At a meeting of the coaches with Commissioner John L. Clark, it was decided to wage a war on betting on college sports, football in particular. The coaches pledged themselves to enforce the amateur rule.

## Sisler May Play in Game Saturday

St. Louis, Mo.—Though ordered by the club's physician to take a rest for at least one week, it is generally believed by the followers of the local Americans, that George Sisler, star first baseman of the Browns, would attempt to get into the lineup when the Browns meet New York here Saturday in the first of a three game series. This series is generally looked upon as the deciding factor of the race for the pennant in the American League.
